BUNKHOUSE BOARDING AGREEMENT

Pet's Name(s): _____

☐ Dog ☐ Cat

This agreement allows Appalachian Animal Hospital to board the above named pet(s) for an agreed set number of days. Please read carefully.

PAW WE WILL BOARD ONE PET PER RUN OR CAT CONDO UNLESS OTHERWISE SPECIFIED.

_____ I want my pets boarded in the same run or condo. Regular Dog Runs are for 1-2 dogs, XL Dog Runs are for 1-3 dogs, & Cat Condos are for 1-3 cats. Additional pets per run or condo will have an additional nightly fee. Dog and cat cages are only large enough to accommodate 1 pet comfortably.

If pets boarding together become aggressive toward one another, for their safety, we will separate them into their own kennels. Owners will be responsible for the additional kennel fees for the time they are separated.

PAW All vaccinations must be up-to-date, and dogs must have had a Bordetella (Kennel Cough) vaccine within the last 6 months. Proof of vaccinations is required, or we will need to re-vaccinate (additional charges apply).

PAW If your pet becomes sick and needs medical attention, we will try to contact you and/or your emergency contact. If we cannot reach you, we will start treatment if a life-threatening situation exists if directed by you on the Boarding Daily Sheet.

PAW If external parasites (fleas and ticks) are found on your pet while boarding, they will be treated immediately and the charges placed on your account. If internal parasites (worms) are found during the boarding stay, pets will be treated accordingly and charges placed on your account.

PAW After 3 nights of boarding, we will give our Doggie Bunkhouse guests a Complimentary Bath the night before they go home. **If you prefer that your dog not get a bath, please inform the kennel staff. (We may not be able to give a bath to aggressive dogs, dogs that are too stressed, matted dogs, or dogs that will not fit into our bathtub.)**
