

February 1<sup>st</sup>, 2019

Dear valued clients,

**HILL'S SCIENCE DIET** brand pet food has recently issued a **RECALL** on **select CANINE CANNED over the counter and prescription veterinary diets**. All **dry dog food** products and all **FELINE PRODUCTS ARE NOT AFFECTED** by this recall.

Unfortunately, we have learned today that **some of the canned canine prescription diet products (including i/d canned diets)** are included in this recall. We are aware that some of our clients have purchased these products for their pets through us.

At this time we are currently investigating when these affected diets may have been dispensed by our hospital. As soon as this information is provided by Hill's we will be able to determine which patient's may have received tainted diets. Although we are not certain, we believe such tainted diets were likely dispensed between November 1<sup>st</sup> 2018 and January 31<sup>st</sup> 2019.

**In the meantime, if you have purchased ANY of the Hill's canine canned food on the list of recalled foods provided, please contact our office at 914-273-7878.**

Please see the list below of all currently know affected over the counter and prescription diets. If you have any remaining product with the appropriate lot numbers on the list below, please return it to us immediately.

Sincerely,

Dr. Rick Germano

Armonk Veterinary
