

# PAWS FOR A CAUSE

## PET FOOD DRIVE

Now until Christmas

The past few years have been tough on us all, with more and more families in need of support. Let's help our local **Grimsby Benevolent Fund Food Bank** provide meals for our community's four-legged family members.

Any bags of kibble or canned food donated will be matched, pound for pound, can for can, by Livingston Animal Hospital.

We are hoping to collect donations of dry kibble and canned food for both **cats and dogs**.
