Displays the date the blog was published

**Noah's Ark Companion Animal Hospital Blog**

- [How to Choose Pet Food](#) March 19, 2012
How to Choose Pet Food – by Dawn Todd At Noah's Ark you won't find the same old dietary choices you see at most other veterinary clinics. Our philosophy is... [...] *dtodd*
- [Holy Cow Hold the Hooves!](#) March 16, 2012
Lately I've seen an increasing number of cow hooves dropped off with pampered pooches being left to board at Noah's Ark. Several months ago I wrote about using caution with... [...] *dtodd*
