I am satisfied after speaking with the staff of Frey Pet Hospital that they will treat my pet as they deem necessary for their health, safety, and well-being; however I do understand that no guarantee of successful treatment can be made. I acknowledge that I have read and fully understand this Authorization for Medical Treatment, the reason why such medical treatment is considered necessary, as well as, its advantages and possible complications, if any.

I have received an estimate for the procedure. (If you have not, please ask for one now!) I understand that payment is due at the time my pet is discharged and that a deposit may be required for extensive medical or surgical procedures.
