

Healthcare Plan Questions and Answers

Q: What pets does the plan cover?

A: Puppies, Kittens, Cats and Dogs

Q: Is my Healthcare Plan an insurance plan?

A: No. The Healthcare plan is not an insurance policy, it is a wellness plan designed to promote and maintain the total wellbeing of your furry family member.

Q: Can I really have unlimited consults with my vet at no extra charge?

A: Yes. Your Vet may determine that a nurse or suitably qualified team member can carry out the consultation.

Q: What about any extra costs after consultations?

A: You will still be liable for any costs for treatments or medications outside the Healthcare Plan as you would if you were going for a normal health check.

Q: Too good to be true, what's the catch?

A: None! We genuinely believe in the welfare of your best friend. The Healthcare Plan is designed to assist you in providing optimal health benefits throughout the life of your treasured pet.
