Questionnaire for Pet International Health Certificate

Preparing for international travel can take time depending on destination and its requirements. Plan in advance. Fill out the questionnaire below. The information you provide will help us complete your pet's international health certificate.

1. Where are you and your pet going (Destination Country)? _____
2. Does your pet have a passport: ☐ YES ☐ NO
3. What is your current address: _____
4. Who will be traveling with the pet: ☐ The Owner ☐ No One ☐ a Pet transport company
- ☐ Other: _____ Name of person traveling with pet: _____
5. Please list the address in the destination country you will be staying in? _____
6. What is the date of your travel (your flight): _____
7. Your flight information if available (for example: Delta HL657): _____
8. Name of pet: _____
9. ☐ Dog ☐ Cat AGE: _____
10. Sex: ☐ MALE ☐ MALE NEUTERED ☐ FEMALE ☐ FEMALE SPAYED
11. Does your pet have a microchip and what is the number? _____
12. Name of Heartworm preventative your pet is on: _____
13. Last date you gave your pet Heartworm preventative: _____
14. Name of Flea and Tick preventative your pet is on: _____
15. Last date you gave your pet Flea and Tick preventative: _____
16. Date of last fecal test: _____ 16b). Results of last fecal test: _____

NOTE: Depends on the age of your pet a RABIES VACCINATION needed to be up to date, if not your pet needs a Rabies Vaccine 21 days prior to your trip. If your pet needs a Microchip your pet will also need a Rabies Vaccination 21 days prior to your trip.

In general there are two methods of acquiring endorsement of a health certificate:

1. **Mailing (UPS or FedEx)** we will give you the address to mail in the documents OR 2. **In-person** (appointment @ JFK Location) we will give you the information to set up an appointment. Please let us know which one you will be doing in order to better help you with your travel documents.

Please Note: Check with your airline to determine if they have their own requirements. Airlines may have separate and additional requirements from those of your destination country. If you intend to bring your pet back into the U.S., there may be certain re-entry requirements, depending on where you traveled. You should plan for them now. After your health certificate has been completed, signed, and dated by your veterinarian, most countries require that international health certificates be submitted to a USDA APHIS Veterinary Services officer for endorsement. Please make sure to set up an appointment with your USDA office as soon as you can.
