# Pals Protection Plan

Introducing our new Pals Protection Plan here at Dreaming Summit Animal Hospital!!! This plan offers you an opportunity to save **20%** on all veterinary services here at our hospital!

This includes a 20% savings on regular exams, vaccines, diagnostic tests (including blood work, biopsies, cytology's, x-rays), surgical procedures (including spay, neuters, tumor removals, fracture repairs, laceration repairs), laser therapies, injections, and dental procedures. The only things that are not discounted are inventory items. **Participants are also granted 2 regularly scheduled exams free of charge per 12 month period.**

### How It Works:

To start the contract, there is a onetime signup fee of \$69.00 per pet. The following month either on the 1<sup>st</sup> or 15<sup>th</sup> whichever is closest to your sign up date, the fee is \$17.99/month per pet. This will be set up for an automatic charge on your Visa, MasterCard or Discover. The contract is good for 12 months and the plan automatically renews on the 12<sup>th</sup> month of the original agreement.

You can sign up and take advantage of the savings the same day as long as you pay for the plan **before** we charge you for the visit services.
